

**Conference Call Announcement and Agenda  
Groundwater Availability Sub-group  
Wednesday, June 19, 2013  
Arkansas Natural Resources Commission  
Arkansas River Room  
101 East Capitol, Suite 350  
Little Rock, AR 72201  
1:30 p.m. – 3:00 p.m.**

**Meeting Purpose:** To discuss the proposed methods for assessing groundwater availability in the Arkansas Water Plan Update. The meeting will be a working conference call among technical experts. The public is welcome to attend the conference call at the Arkansas Natural Resources Commission's (ANRC) offices. Interactive public meetings will also be scheduled throughout the planning process once the technical work progresses to a point where draft results are developed. The meeting plan for the Arkansas Water Plan Update can be found at <http://www.arwaterplan.arkansas.gov/meetings.html>

**Agenda:**

- 1:30 p.m.      Introductions
- 1:40 p.m.      Review methods for assessing groundwater availability
- 2:10 p.m.      Receive feedback from the Sub-group.
- 2:40 p.m.      Summary and next steps.
- 3:00 p.m.      Adjourn.

**Directions/Parking:** Parking is available in the parking garage southeast of the ANRC. The entrance to the parking lot is located near the intersection of East 6th Street and Scott Street. Please bring in your parking stub and ANRC can validate for you.
